## Rome Police Department Monthly Report July 2014

### **Meetings/Training Attended**

During the months of July I attended PFC, and Town Board meetings. Officer Smallwood attended a Law Enforcement Training for Safety and Survival Awareness in-service.

### **Calls for Service, Citations, and Written Warnings**

During the month of July officers handled 147 calls for service, issued 97 citations and 21 written warnings.

### **Department Activities/Announcements**

The 2005 Lund patrol boat had motor problems and was on and off the lake throughout the month due to mechanical failures. I have requested a new patrol boat in my preliminary 2015 budget. The Mercury outboard motor on the current boat is reaching the hour level in which major repairs can be anticipated to keep the motor operational.

In July officers were assigned to traffic enforcement on an overtime basis for a State funded impaired driving grant. Officers will continue to be scheduled for extra traffic enforcement shifts throughout the summer.

Jason Lauby – Chief of Police
