#### **8.01 TRAFFIC AND PARKING:**

##### **(1) STATE TRAFFIC LAWS AND ADMINISTRATIVE CODES ADOPTED:**

**(a) Statutes Adopted:** Except as otherwise specifically provided in this Chapter, the statutory provisions in Chapters 86 and 340 to 349 of the Wisconsin Statutes and Chapter Trans. 101 thru 305 of the Wisconsin Administrative Code, describing and defining regulations with respect to vehicles and traffic, are hereby adopted and by reference made a part of this Chapter as if fully set forth herein. Any act required to be performed or prohibited by any regulation incorporated herein by reference is required or prohibited by this Chapter. Any future amendments, revisions or modifications of the statutory regulations in Chapters 340 to 349 incorporated herein are intended to be made part of this Chapter in order to secure to the extent legally practicable uniform statewide regulation of vehicle traffic on the highways of the State of Wisconsin. Any person who shall, within the Town of Rome, violate any provisions of any Statute incorporated herein by reference shall be deemed guilty of an offense under this Section.

**(b) Other State Laws Adopted:** There are also hereby adopted by reference the following sections of the Wisconsin Statutes, but the prosecution of such offenses under this Chapter shall be limited to a forfeiture as hereinafter provided in this Chapter:

- 1.** 941.01 Negligent Operation of Vehicle Off Highway
- 2.** 943.23 Operating Motor Vehicles Without Owners Consent

##### **(2) OFFICIAL TRAFFIC SIGNS AND CONTROL DEVICES; PROHIBITED SIGNS, SIGNALS AND MARKERS:**

**(a) Erection and Install Uniform Traffic Control Devices:** Whenever traffic regulations created by this Chapter, including a State of Wisconsin traffic regulation adopted by reference in par. (a) require the erection of traffic control devices for enforcement the Superintendent of Highways and Public Works shall procure, erect and maintain uniform traffic control devices conforming to the Uniform Traffic Control Device Manual promulgated by the Wisconsin Department of Transportation, giving notice of such traffic regulation to the users of the highways on which such regulations apply. Whenever State law grants discretion to local authorities in erecting or placement of a uniform traffic control device, devices shall be erected in such locations and in such a manner as, in the judgment of the Superintendent or a designee, will carry out the purposes of this Chapter and give adequate warning to users of the highways of the Town of Rome.

(b) Prohibited Signs and Markers in Roadways: No person other than an officer or designee authorized by this Ordinance to erect and maintain official traffic control devices shall place within the limits of any highway maintained by the Town any sign, signal, marker, mark or monument unless permission is first obtained from the Chief of Police, the Superintendent of Highways and Public Works or, where applicable, the Wisconsin Department of Transportation (DOT).

(c) Removal of Unofficial Signs, Markers, Signals and Traffic Control Devices: The Chief of Police, Superintendent of Highways and Public Works or their designee may remove any sign, signal, marking or other device, which is placed, maintained or displayed in violation of this Chapter or state law.

(5) **CONTROLLED INTERSECTIONS DESIGNATED:**

This paragraph shall not apply to heavy traffic using a Town highway for the purpose of obtaining orders for supplies or moving or delivering supplies or commodities to or from any place of business or residence which has an entrance on such a Town highway, provided such traffic does not exceed the weight limitations for Class B highways pursuant to sec. 348.16, Wis. (d) **Removal of Illegally-Parked Vehicles:**

1. When any law enforcement officer shall find a vehicle standing upon a road, public property or public parking lot in violation of the provisions of this subsection, the officer is authorized to move such a vehicle or to require the operator in charge thereof to move such vehicle to a position permitted under this subsection. The officer may cause said vehicle to be removed to a proper impoundment and storage area where storage space is available and in such case the owner shall pay the costs of removing said vehicle and the storage fees on said vehicle before he may recover the possession thereof.

If not timely paid, the citation shall provide that the penalty may be discharged by forwarding the amount indicated on the citation plus an additional late charge as per the bond schedule within twenty (20) days of issuance.

2. If the alleged violator does not deliver or mail a deposit as provided in sub. par. 1, within twenty (20) days from the date of the citation, the police department may proceed under sec. 345.28(3)-(5) Wis. Stats.
