## Rome Police Department Monthly Report December 2016

### **Meetings/Training Attended**

During the month of December I attended Town Board meetings. Officer Upton has finished with EMR training and is awaiting the certificate so he can schedule his registry examination. Sergeant Wilson and Officer Upton attended a Crisis Intervention Team Training held at Mid-State Technical College. I am continuing with Entry Level Fire Fighter class which concludes the end of January.

### **Calls for Service, Citations, and Written Warnings**

In December officers handled 78 calls for service, and issued 20 citations and 7 written warnings. The Department closed the year out with a total of 1,187 calls for service.

### **Department Activities/Announcements**

I encourage citizens that see suspicious activity to report the situation to the police department as soon as they witness it. Many times our residents and visitors delay calling the police figuring what they saw is minor and may be nothing so it can wait, or Officers are told the witness didn't want to interrupt an Officer in the middle of the night. The Rome Police Department is staffed 24 hours a day 365 days a year. I would encourage our residents and visitors to report things immediately regardless of the time of day or night.

I am working on setting up the 2017 squad car during the first part of January and continue to work on the I Am Responding software set up in the Fire Department.

Routine maintenance was done to the fleet during December.

Jason Lauby – Chief of Police
