Rome Police Department Monthly Report November 2015

Meetings/Training Attended

During the month of November I attended Town Board meetings and PFC meeting. Officer Swiedarke attended the Coordinated Community Response Team meeting. Officers Stashek, Kirslenlohr, and Winker attended Reid Interview and Interrogation certification in Appleton Wisconsin.

Calls for Service, Citations, and Written Warnings

In November officers handled 96 calls for service, and issued 26 citations and 5 written warning.

Department Activities/Announcements

On December 2, Officer Swiedarke resigned his position of patrol officer with the Rome Police Department. In the upcoming month I will be working with the PFC and Town Board to get the staffing level at the P.D. established.

I encourage citizens that leave the area for an extended time during the winter months to stop at the Town Hall and complete a vacant home form. This form will allow us to contact you should anything happen at your property.

I would remind residents to be aware of ice conditions on the area lakes before traveling out on the ice. With the warm weather the tri-lakes remain open water at this time delaying the time needed for safe ice to form this season. In the past we have had vehicles go through the ice on the lakes and especially the channel between upper and lower Lake Camelot.

Routine maintenance was done to the fleet during November.
