Rome Police Department Monthly Report September 2015

Meetings/Training Attended

During the month of September I attended Town Board meetings and the Police and Fire Commission meeting. Officer Stashek Czys and I attended the Law Enforcement Symposium in Green Lake September 8th thru 11th. Officers Wilson, Kirslenlohr, and Winker continue to attend Emergency Medical Responder Training at Mid- State Technical College.

Calls for Service, Citations, and Written Warnings

In September officers handled 107 calls for service, and issued 40 citations and 11 written warnings.

Department Activities/Announcements

The police department would also like to remind citizens who own seasonal property to please stop in and fill out a vacant home form before leaving their property for an extended period of time. This helps the Police Department to be aware of properties in town that are vacant and gives us accurate contact information for property owners in the event we would need to contact them in an emergency.

The Town has received the Inspire 1 unmanned aircraft, and I am in the process of learning how to operate the device. I then will train the other employees chosen to operate the device.

Regulatory markers will be removed from the lakes during the upcoming week. The patrol boats will be scheduled for winterization soon.

The Police Department 2016 budget has been completed and submitted to the Town Clerk.

Routine Maintenance was done to the fleet during the month of September.

Jason Lauby – Chief of Police
