For immediate release:

ATV/UTV Trails on Meteor Timber Land will **not** be open at this time due to Land Use Agreement Contracts that have yet to be finalized. Adams County is working diligently to get these contracts in place for the enjoyment of the trail users. Trails included are trail 11 thru 42.

Trails 1 thru 10 in the Original Monroe Prairie Recreation Area are due to open May 19, 2017 8am. Trail 5 south of Archer Ave to Trail 9 will remain closed.

Trail 1 south of Badger Ave will also remain closed until further notice

The connector between HWY Z and 18th Ave in the Town of Monroe is open.

Thank you for your cooperation and understanding in keeping Adams County a safe and enjoyable place to recreate. We will keep you informed as we make progress with the above situation.
